Dear Mike:

I thought I had better drop this copy in the mail, in case you did not get it.

In addition to the opening day cards, please ship right away the following.

We are playing in Columbia S. C. Monday April 30th. The cards to be shipped to Mr Chas. Allison 2101 Gervias St. Name of Park Dreyfuss Field, time 8PM, Newark Eagles vs Columbia All Stars add, 95 cts. section for whites.

I gave you this copy on the phone, but will write it here so you can check Wed. April 25th, Duncan Park, Spartanburg S. C. Eagles vs Spartanburg Sluggers Duncan Park, 8.30 PM.add. 60 cts. children 25. Send these to N.H. Whitmire 117 Short Wofford St. 100

Please put pictures on these cards if you have them, as many as you can without too much trouble. Send the bills to me so I can get them to Abe for collection.

I am trying to get in Durham May 1st to break that awful jump home. I will call you on those cards if I want them. It seems silly to make these long trips, but if we hope to play late in September it is the only territory to play in. Most of the men demand 5 months contracts now, so you have to plan for something to do. Our league had better wake up. Gus is really trying to get a good organization under way. It looks like there is some money behind some of the teams.

I am asking Abe, Wells, and Joe Miles in Richmond to get the pictures made so you can have them. Between all of them I hope I will get them in a few days.

Thanks for everything.

Very Truly Yours
